**What does iCloud pause mean because Cara did something with my phone?**

**My mom friend**

She's not supposed to do that or touch your phone. She's trying to remove me as your father administrator on your phone. That's not good that she's doing that.

**Ok good nights**

**My mom is trying to get my phone out of my hand**

Why?? Say no. It's your phone.

**She trying to take it**

Dominic, this is what you do. Record it and tell her that you do not want her to drive because she's drunk. And record it and send it to me. This is not good Dominic.

I'm sorry, Dominic. I wish I was there to protect you.

**Ok**
